YARD**

BlueYard invests in
founders with transforming
ideas that decentralize
markets and empower
humanity.

**BLUE
YARD**

What if we could solve our largest planetary challenges?

MEATABLE

Enabling an animal free economy

Making quantum computing a reality

POSITIVE

Empowering everyone to eat healthy

Providing abundant, safe energy with laser-induced fusion

E-bike based clean urban transportation movement

BLUE YARD

What if we could free our economies of gatekeepers?

Building the fabric of a decentralized web

A safe and resilient storage network for humanity's data

Ensuring the web3 economy is safe

A decentralized backbone for the world's code base

Interconnected tools for the decentralized web

p2p financial liberty platform

Providing finance to un-banked supply chains

Crypto currency with strong governance

**BLUE
YARD**

What if we could live forever?

bit bio

Breakthrough therapies through programmable stem-cells

hummm

Empowering everyone to enhance their neuro-capabilities

BIOFIDELITY

Democratizing accurate and affordable cancer diagnostics

 **Rarebase**

Enabling rare disease therapy breakthroughs

BLUE
YARD

What if we could untangle software monopolies and liberate data?

Pitch

Making building presentations fun and collaborative

Autocode

Empowering the next million developers

Next Matter

The next-gen company operating system

GRID

Unleashing data hidden in spreadsheets

VECTARY

Enabling 2D designers to become 3D designers

wonder

The place for large groups online

SPACEKNOW

Understand economies through satellite data
