

An aerial photograph of a coastline with dark, jagged rocks and turbulent, white-capped waves crashing against them. The water is a deep, dark blue, and the foam of the waves is bright white, creating a high-contrast scene.

**BLUE  
YARD**

What if we invest  
in humanity and  
decentralization?

**BLUE  
YARD**

## What if we could solve our largest planetary challenges?

**MEATABLE**

Enabling an animal free economy

Making quantum computing a reality

**POSITIVE**

Empowering everyone to eat healthy

Providing abundant, safe energy with laser-induced fusion

E-bike based clean urban transportation movement

# BLUE YARD

## What if we could free our economies of gatekeepers?

Building the fabric of a decentralized web

A safe and resilient storage network for humanity's data

Ensuring the web3 economy is safe

A decentralized backbone for the world's code base

Interconnected tools for the decentralized web

p2p financial liberty platform

Providing finance to un-banked supply chains

Crypto currency with strong governance

**BLUE

## What if we could live forever?

**bit bio**

Breakthrough therapies through programmable stem-cells

**hummm**

Empowering everyone to enhance their neuro-capabilities

**BIOFIDELITY**

Democratizing accurate and affordable cancer diagnostics

**Rarebase**

Enabling rare disease therapy breakthroughs

BLUE  
YARD

## What if we could untangle software monopolies and liberate data?

**Pitch**

Making building presentations fun and collaborative

 **Autocode**

Empowering the next million developers

 **Next Matter**

The next-gen company operating system

 **GRID**

Unleashing data hidden in spreadsheets

**VECTARY**

Enabling 2D designers to become 3D designers

 **wonder**

The place for large groups online

**SPACEKNOW**

Understand economies through satellite data
